Partnering with History San Jose

As An Affiliate Organization

Since CHCP's founding in 1987, we have worked with the City of San Jose and the governing body of the San Jose History Park. History San Jose is the current organization. As an affiliate organization of the History Park, CHCP attends quarterly meetings, and attempts to support their activities and events.

Family & Private Events at the History Park year-round are great opportunities for our museum to be visited. Our Museum has been requested to be open for weddings, corporate picnics and special events.

Halloween Day was the latest event. CHCP provided candy, bat rings, bat stickers, and Halloween pencils for trick-or-treaters @ History San Jose.

Heritage Holiday & Traditional Tea will be on Saturday, December 4th with booths and Victorian Tea at the Firehouse. Our Museum will be open from 11 AM - 4 PM. This annual event provides opportunities for shopping, children's crafts, letter-writing to Santa and strolling carolers. Santa will arrive via firetruck. CHCP will be there opening our museum for visitors and guests.

Updating the Traveling Exhibit

Investigating Future Project

Tattered and worn from many years of public display in government buildings, corporate businesses, community colleges, schools, and community festivals and events, the CHCP Traveling Exhibit “Pioneering the Valley” has been seriously considered for updating and reconstruction.

Much has occurred in recent local history with the Chinese and Chinese Americans in Santa Clara Valley that warrants a review of the information on the display boards.

If you have ideas or information for Committee consideration, please contact by email CHCP - chcp.info@gmail.com.

Completion of the Heritage Brick Wall

The Heritage Brick Wall was designed by Mervyn Lee, Environmental Landscape Designer and incorporated into the plan of the replica Ng Shing Gung building in the History Park San Jose in 1991.

The engraved bricks are a lasting legacy of names or sayings, exhibiting support for theme “Embrace Our Cultural Heritage to Enrich Generations to Come.”

With only 7 bricks left for purchase and completion of the Heritage Wall, please contact Director James Gate, 408-867-4738, for more information.
